

AULIYA NUR ASYIFA

Final Year Mathematics Student

Jakarta, Indonesia | Phone: +6282123331505 | auliya.nurasyifa@gmail.com | linkedin.com/in/auliyanra

Final-year student at Gadjah Mada University pursuing an undergraduate degree, majoring in Mathematics. I am interested in data analytics and financial mathematics. A highly motivated and able to work both individual or in a team, a fast learner, and I love to explore new experiences that can improve my ability to be better, particularly interested with product technology and data. Finding problem solutions is something I have always enjoyed. I am experienced in leading teams by assigning tasks based on team member skill sets.
